Economy Vinyl Fence and Gate

Dennison Supply's PVC fencing is manufactured with high content (10 parts per 100 parts) of TiO₂ (titanium dioxide/ and ultraviolet inhibitors with 100% virgin vinyl throughout for years of maintenance-free performance. Dennison Supply warrants that the vinyl fence will not peel, rot, fade, blister, rust, flake, chip, crack, or corrode.

Dennison Supply further warrants that the vinyl products, using approved methods of fabrication, are free from manufacturing defects in materials and workmanship for the lifetime of the original owner(s) of the property on which the products were originally installed, when subjected to normal and proper use.

Dennison Supply limits this warranty to 30 years if the vinyl product is installed for commercial use. This lifetime warranty is intended to cover the individual homeowners only. Should corporations, partnerships, government agencies, trusts, or any organization purchase the product, warranty period is limited to 30 years from the date of purchase.

If any portion of the fence fails to perform as a result of manufacturing defects, the manufacturer warrants that it will replace the defective materials or refund the purchase price of the defective materials and freight.

Dennison Supply does not warrant against failure of or damage to such products resulting from faulty or improper fabrication, installation, handling and storage, settlement of the surface or structure on which the products are installed, failure of the structure, accidental damage or negligence, intentional acts of damage, fire, wind, flood, lightning, or other acts of God.

Dennison Supply reserves the right to discontinue or modify its products without notice.
