Aluminum Fence and Gate

Dennison Supply warrants all the aluminum fence panels, gates and posts to be free from defective raw materials and manufacturing defects.

Meanwhile in the normal and intended usage situation, the powder coating surface on all products is a lifetime warranty guaranteed from the date of purchase against the peeling, cracking, chipping, excessive fading of the finish on the products surface. The lifetime warranty is only valid to the original purchaser. This is not transferable to other parties.

The warranty does not cover the following acts:

1. Any alterations to the product, including on-site cutting or welding.
2. Damage caused by gardening equipment.
3. Exposure to the corrosive chemical environment.
4. Damage caused by flood, fire, acts of God.

Original consumer must contact Dennison Supply directly via email and provide the following:

1. Invoice Number
2. Photos
3. Description of defect

Dennison Supply reserves the right to inspect the product to determine the validity of the warranty claim. Freight to site and installation of replacement products is not included in the guarantee.

Dennison Supply reserves the right to discontinue or modify its products without notice.
