Country Estate® Vinyl Fence Warranty Summary

Warranty Options & Registration

- **The Choice:** Covers manufactured PVC products for either 50 years (non-prorated) or a limited lifetime (defaults to lifetime if unselected).
- **Activation:** Valid only if the original consumer registers the warranty within 30 days of purchase.

Coverage & Remedies

- **What is Covered:** PVC failures due to manufacturing or raw material defects, including peeling, flaking, rusting, blistering, corroding, abnormal discoloration, brittleness, and insect damage.
- **The Remedy:** Nebraska Plastics will provide replacement materials and cover reasonable installation labor or elect to refund the original purchase price.

Duration & Transfers

- **Residential:** Fully effective until the property is sold, the fence is moved/altered, or the original purchaser passes away.
- **Commercial:** Effective for 20 years; completely non-transferable.
- **One-Time Residential Transfer:** Transferable to a subsequent home buyer only if:
 - a. Originally registered within 30 days of purchase.
 - b. Request is made within 10 years of original purchase.
 - c. Written request, proof of 100% brand installation, and a \$25 fee are sent within 30 days of property transfer.

Note: A transfer does not extend the original warranty period.

This warranty strictly excludes damage from non-brand materials, improper installation, severe weather, large animals, normal weathering, and consequential damages; however, you can contact your original or local installer to inquire about their specific workmanship warranty and request further information.

Claims & Contact

To file a claim: Contact your original installer or contact Nebraska Plastics, Inc. directly at 1-800-445-2887 (P.O. Box 45, Cozad, NE 69130).

All disputes are governed by Nebraska law.
